Morris College
"Christian Education" Classes
January 17, 2026

100. Technology and Faith: Harnessing Digital Tools for Christian Education: Facilitator: TBA

Course Description: Discover the potential of technology to enhance Christian education in "Technology and Faith." Explore innovative ways to incorporate digital tools, online resources, and multimedia content into your teaching practices while maintaining a strong focus on faith formation. Through hands-on exploration and thoughtful discussions, you'll learn how to use technology to engage learners, foster connection, and deepen their spiritual experience.

101. The Power of Story in CE: Using Narrative to Teach and Inspire: Facilitator: TBA

Course Description: Discover the transformative potential of storytelling in Christian education with "The Power of Story." Learn how to use narratives to convey profound truths, capture learners' attention, and ignite their imagination. This course explores the art of storytelling, providing you with the skills to craft compelling narratives that communicate biblical wisdom, life lessons, and the beauty of God's unfolding plan.

102. Effective Discipleship Strategies for Children and Youth in CE: Facilitator: TBA

Course Description: "Effective Discipleship Strategies" equips persons with impactful tools to disciple children and youth. Learn how to guide young hearts toward a deep and authentic relationship with Christ through intentional mentoring, personal growth, and nurturing faith foundations. Explore age-appropriate discipleship methods that foster spiritual growth, equipping you to lead the next generation on a transformative faith journey.

103. Prayer and Worship in CE Settings: Facilitator: TBA

Course Description: "Prayer and Worship in CE Settings" explores the transformative role of prayer and worship within the CE environments. Learn how to create meaningful prayer experiences, engage in worshipful moments, and infuse your teaching practices with a spirit of devotion. Discover ways to deepen the spiritual experience of students and cultivate an atmosphere of divine connection in an educational setting.

104. Creative Teaching Methods: Inspiring Learning through Interactive Approaches: Facilitator: TBA

Course Description: Unlock your teaching potential with "Creative Teaching Methods." This course explores dynamic and interactive approaches to education that engage learners' hearts, minds, and senses. Through experiential activities, project-based learning, and innovative teaching techniques, you'll discover how to captivate learners' attention and foster deeper connections with the material, leading to transformative learning experiences.

105. Manhood Restored: How the Gospel Makes Men Whole-(One of Three-Part Series)-Facilitator: TBA

Course Description: In a culture that constantly distorts what it means to be a man, this powerful course will lead men through Eric Mason's transformative study on biblical manhood. Together, we will confront cultural myths, unpack the truth of God's Word, and rediscover our identity in Christ. This class is designed to help men break free from cycles of brokenness, embrace their God-given roles as leaders, protectors, and servants, and live with bold, Spirit-filled purpose. Through teaching, discussion, and practical application, men will be equipped not only to grow personally but to lead their families, serve their churches, and impact their communities for the Kingdom of God. This is more than a class, it's a call to restoration, renewal, and spiritual strength.

106. Deaconess Ministry of Care-(One of Three Part Series)- Facilitator: TBA

Course Description: Deaconesses are the hands and heart of the church, offering care and comfort to those in need. This course focuses on developing a ministry of compassion that reflects Christ's love. Participants will learn best practices for visitation, mentorship, prayer support, and hospitality. You will leave equipped to serve with excellence while nurturing spiritual and emotional health in the congregation.

107. Church Administration for Lay Leaders- Facilitator: TBA

Course Description: Strong churches need strong support. This course is designed for lay leaders who assist in the organizational side of ministry. Participants will learn key skills in planning, communication, team building, and stewardship, all from a biblical perspective. By the end of this class, you will be equipped to help your church run more effectively and efficiently for Kingdom growth.

108. Christian Education for All Generations- Facilitator: TBA

Course Description: Teaching God's Word is both an honor and a responsibility. This course equips teachers and Christian educators to deliver engaging, life-changing lessons to every age group. Participants will learn methods for making Scripture come alive, building curriculum, and fostering environments of learning that lead to true discipleship. If you're passionate about

teaching, this course will take your ministry to the next level.

109. Ministers Class - Empowering Your Ministry

Course Description: The key to long-term success is a dynamic and transformative course designed to equip individuals engaged in pastoral ministry with the essential tools and strategies needed to thrive and sustain impact- full service over the long haul. Students will be encouraged to cultivate personal spiritual resilience while developing practical leadership skills and building strong community connections. This course provides a comprehensive examination of the essential elements required for sustained success in contemporary pastoral ministry.
